

Certificate

On 18th December 2006, Eurofins Environment A/S received a sample of an adhesive named

SMX-30P Soudal NV

The emission of organic compounds from the sample was measured in accordance with the test method as defined by GEV in its current version.
(See report No. 757823A)

Emissions testing of the sample gave the result:

No carcinogens detected
TVOC Emissions after 10 days below 500 µg/m³

This certificate does not entitle to use the protected trademark label EMICODE. For the use of an EMICODE label a license has to be applied for at the GEV, Düsseldorf, Germany.
A license can only be granted for ready-to use products, if some additional requirements on contents of certain chemicals (e.g. solvent-free) are fulfilled.
